-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Gibraltar School District  
Operating Millage Renewal  
Proposal**

This proposal will renew and restore the authority last approved by the electors in 2014 and which expires with the 2024 levy for the School District to levy the statutory limit of 18 mills on all property, except principal residences and other property exempted by law and allow the School District to continue to levy the statutory limit of 18 mills in the event of future Headlee rollbacks of up to 3 mills. The authorization will allow the School District to continue to receive revenues at the full per pupil foundation allowance permitted by the State.

Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, situated within the Gibraltar School District be increased, in the amount of 21 mills with 18 mills being the maximum allowable levy (\$18.00 on each \$1,000 of taxable valuation), for a period of ten (10) years, 2025 to 2034, inclusive? This operating millage if approved and levied, would provide estimated revenues to the School District of \$3,600,000 during the 2025 calendar year, to be used for general operating purposes.

**Yes or No**

**Gibraltar School District  
Building and Site Sinking Fund  
Millage Renewal Proposal**

This proposal will renew and restore the authority last approved by the electors in 2015 and which expires with the 2024 levy for the School District to levy a building and site sinking fund millage, the proceeds of which will be used to make improvements and repairs to the School District's facilities. The prior authorization of 0.50 mills has been permanently reduced to 0.4817 mills pursuant to the reduction required under the Michigan Constitution.

Pursuant to State law, the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, maintenance or other operating expenses. Shall the Gibraltar School District be authorized to levy 0.50 mills (\$0.50 on each \$1,000 of taxable valuation), for a period of ten (10) years, being the years 2025 to 2034, inclusive, to create a building and site sinking fund to be used for the construction or repair of school buildings, school security improvements, the acquisition or upgrading of technology, the acquisition of student transportation vehicles, trucks and vans and parts, supplies and equipment used for the maintenance of these vehicles and for any other purposes permitted by law? This millage if approved and levied would provide estimated revenues to the School District of approximately \$415,000 during the 2025 calendar year.

**Yes or No**

**Wayne County Regional Educational Service Agency  
Renewal of Regional Enhancement Millage Proposal**

Pursuant to state law, the revenue raised by the proposed renewal of the enhancement millage will be collected by the Wayne County Regional Educational Service Agency ("Wayne RESA") and distributed on an equal per-pupil basis to local constituent school districts including eligible public school academies within the boundaries of Wayne RESA. None of the enhancement millage revenue will be distributed to Wayne RESA, and all funds shall be independently audited by the local constituent school districts and eligible public school academies as part of their annual school audits.

As a renewal of authority which expires with the 2027 levy, shall the limitation on the amount of ad valorem taxes which may be imposed on taxable property in the Wayne County Regional Educational Service Agency, Michigan, be increased by 1.9812 mills (\$1.98 per thousand

dollars of taxable value) for a period of six (6) years, 2028 to 2033, inclusive, to provide operating funds to enhance other state and local funding for local school district operating purposes? It is estimated that 1.9812 mills would raise approximately \$108 million when first levied in 2028.

The revenue from this enhancement millage will be distributed on an equal per pupil basis to the following listed constituent school districts and the public school academies within the boundaries of Wayne RESA which are eligible to receive enhancement millage under the Revised School Code:

Allen Park Public Schools, Crestwood School District, School District of the City of Dearborn, Dearborn Heights School District No. 7, Detroit Public Schools Community District, Ecorse Public School District, Flat Rock Community Schools, Garden City Public Schools, Gibraltar School District, Grosse Ile Township Schools, Grosse Pointe Public School System, School District of the City of Hamtramck, School District of the City of Harper Wood, Huron School District, School District of the City of Lincoln Park, Livonia Public Schools School District, Melvindale – Northern Allen Park School District, Northville Public Schools, Plymouth-Canton Community Schools, Redford Union Schools District No. 1, School District of the City of River Rouge, Riverview Community School District, Romulus Community Schools, Southgate Community School District, South Redford School District, Taylor School District, Trenton Public Schools, Van Buren Public Schools, Wayne-Westland Community School District, Westwood Community School District, Woodhaven-Brownstown School District, School District of the City of Wyandotte

**Yes or No**

The following location is designated as the early voting place for the said election:
